A STORY OF AMERICA, ONE SONG AT A TIME.

From deep, tangled roots to worldwide popularity, country music gets its Ken Burns due with 16 hours of never-before-seen footage, images and interviews with 80-plus performers—including several from our state—premiering September 15!

And don’t miss the September 8 debut of UNC-TV’s own In Studio: Country Music, with country-inspired concerts by The Kruger Brothers, Tift Merritt and Rissi Palmer.
