ACTUALLY, ICONIC:
RICHARD ESTES

Making Plans as Summer Turns to Fall

As the seasons change, we’re often reminded of making plans for the future. Any time of year is the right time to make or adjust your estate plan—and some aspects of a plan can be simpler than others. Naming UNC-TV as a percentage beneficiary of your retirement plan, investment account or life insurance policy is a simple step that can make a big difference for future North Carolinians (and can be tax-friendly to your heirs).

We’ve been offering quality programs and services for 65 years and, thanks to the generosity of supporters past and present, we plan to do so for many years to come. Learn more about leaving your legacy by visiting unctvgift.org, emailing giftplanning@unctv.org or calling 877-485-3200.

Our 2020 Annual Fund Needs You!

Thanks to you and your support, UNC-TV keeps our state engaged and connected. We’re where all North Carolinians experience drama, wonder, joy, inspiration and much more.

With so many UNC-TV members currently unable to support us as they’d like, your generosity today helps us start our fiscal year strong and fulfill our mission to the communities we serve.

Look for this envelope in your mailbox this month and please respond with a generous gift. Let it be your way of telling us that we are meeting your expectations—and to keep up the good work.

Contribute securely online at unctv.org/annualfund.
We truly appreciate your loyalty and generosity!

Got a Ride? Donate It to UNC-TV.

Donating your car, boat, motorcycle or truck to support UNC-TV Public Media North Carolina is so simple! Just call 866-862-8855 toll-free or fill out the form at unctv.org/vehicle. We’ll handle the paperwork and the pickup. You’ll get the tax deduction and satisfaction of knowing you’re supporting the programs and services you love. Don’t delay—donate and make it go away!
NOW—ROOTLE BRINGS THE BLOCK PARTY HOME TO YOU!

NEW! ELINOR WONDERS WHY
Science Series Premieres Monday, September 7

Elinor, the most observant and curious bunny rabbit in Animal Town, introduces preschoolers to science, nature and community through adventures with her friends Ari, a funny and imaginative bat, and Olive, a perceptive and warm elephant.
